## KING OF LOVE, MY SHEPHERD IS

The King of love my shepherd is,  
whose goodness faileth never.  
I nothing lack if I am his,  
and he is mine forever.

Where streams of living water flow,  
my ransomed soul he leadeth;  
and where the verdant pastures grow,  
with food celestial feedeth.

Perverse and foolish, oft I strayed,  
but yet in love he sought me;  
and on his shoulder gently laid,  
and home, rejoicing, brought me.

In death's dark vale I fear no ill,  
with thee, dear Lord, beside me;  
thy rod and staff my comfort still,  
thy cross before to guide me.

Thou spreadst a table in my sight;  
thy unction grace bestoweth;  
and oh, what transport of delight  
from thy pure chalice floweth!

And so through all the length of days,  
thy goodness faileth never;  
Good Shepherd, may I sing thy praise  
within thy house forever.

### The Blood Will Never Lose Its Power

*Feat. Dion Turnquest on Saxophone*

The blood that Jesus shed for me,  
Way back on Calvary;  
The blood that gives me strength from day to day,  
It will never lose its pow'r.

It reaches to the highest mountain,  
It flows to the lowest valley  
The blood that gives me strength from day to day,  
It will never lose its pow'r.

It soothes my doubts and calms my fears,  
And it dries all my tears;  
The blood that gives me strength from day to day,  
It will never lose its pow'r.

## Caribbean Praise Medley

I've got my mind made up  
and I won't turn back  
Because I want to see my Jesus someday  
I've got my mind made up  
and I won't turn back  
Because I want to see my Jesus someday.

Goodbye world,  
I stay no longer with you  
Goodbye pleasures of sin,  
I stay no longer with you  
I've made up my mind to go  
God's way the rest of my life  
I've made up my mind to go  
God's way the rest of my life

Born, born, born again  
Thank God, I'm born again  
Born, born, born again  
Thank God, I'm born again  
Born of the water, spirit and the blood  
Thank God, I'm born again  
Born of the water, spirit and the blood  
Thank God, I'm born again

I've got my mind made up  
and I won't turn back  
Because I want to see my Jesus someday  
I've got my mind made up  
and I won't turn back  
Because I want to see my Jesus someday

I am under the rock, the rock that's higher than I,  
Jehovah hide me, I am under the rock  
Go tell my enemies, I am under the rock  
Jehovah hide me, I am under the rock.

Jesus name so sweet,  
Emanuel name so sweet  
Jesus name so sweet,  
Emanuel name so sweet  
Jesus name so sweet,  
Emanuel name so sweet  
Jesus name so sweet,  
Emanuel name so sweet.

Every rock, me rock upon Jesus  
Jesus' name so sweet  
Every rock, me rock upon Jesus  
Jesus' name so sweet  
I've got my mind made up and I won't turn back  
Because I want to see my Jesus someday.

I've got my mind made up and I won't turn back  
Because I want to see my Jesus someday

Oh, I want to see Him, look upon His face  
There, to sing forever of His saving grace  
On the streets of glory let me lift my voice  
All my cares are past, home at last, ever to  
rejoice.

I've got my mind made up and I won't turn back  
Because I want to see my Jesus someday  
I've got my mind made up and I won't turn back  
Because I want to see my Jesus someday.

## Victory In Jesus

I heard an old, old story,  
How a Saviour came from glory,  
How He gave His life on Calvary  
To save a wretch like me;  
I heard about His groaning,  
Of His precious blood's atoning;  
Then I repented of my sins  
And won the victory.

O victory in Jesus, My Saviour, forever,  
He sought me and bought me  
With His redeeming blood;  
He loved me ere I knew Him  
And all my love is due Him,  
He plunged me to victory,  
Beneath the cleansing flood.

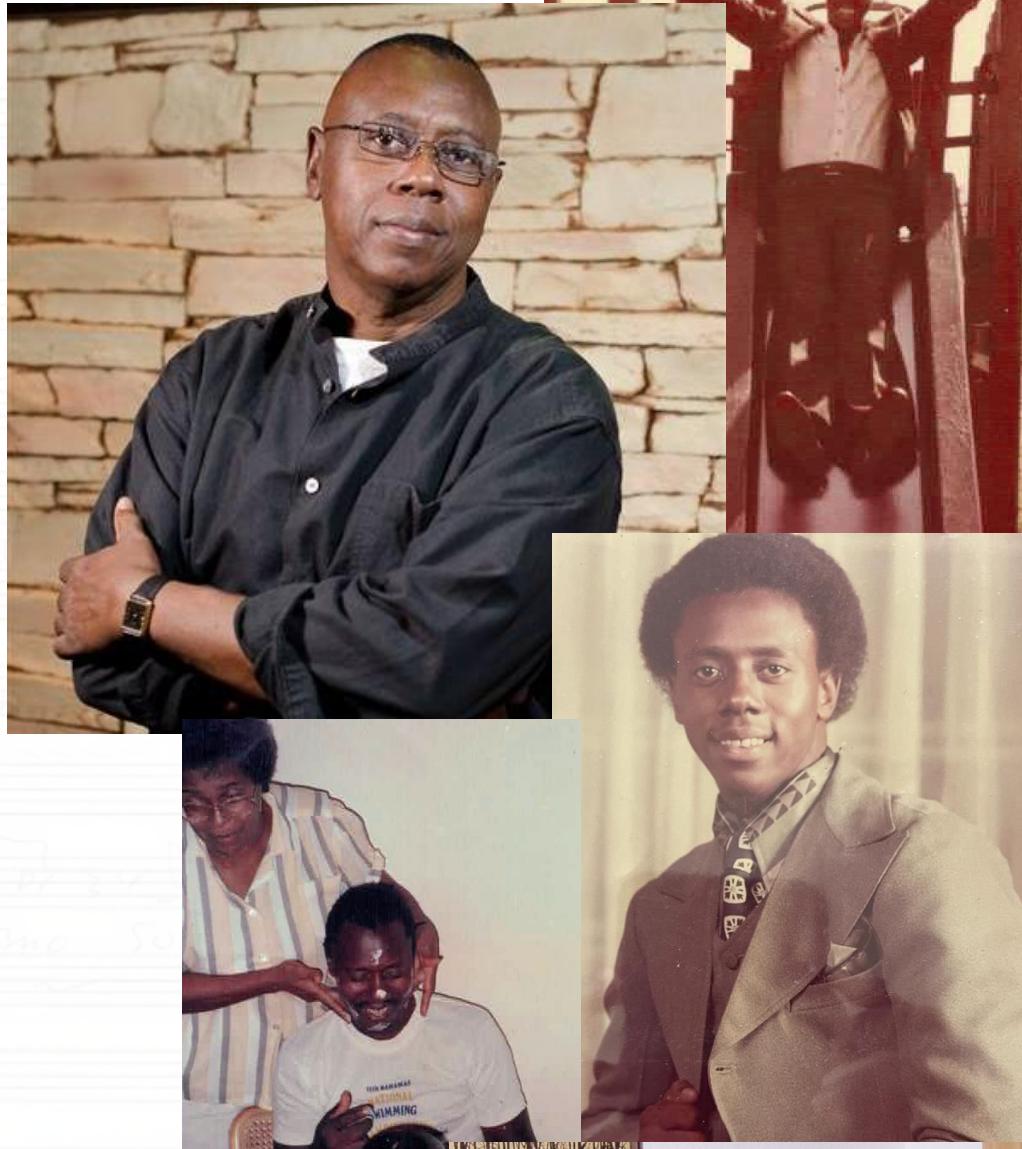

I heard about His healing,  
Of His cleansing pow'r revealing.  
How He made the lame to walk again  
And caused the blind to see;  
And then I cried "Dear Jesus,  
Come and heal my broken spirit,"  
And somehow Jesus came  
And bro't to me the victory.

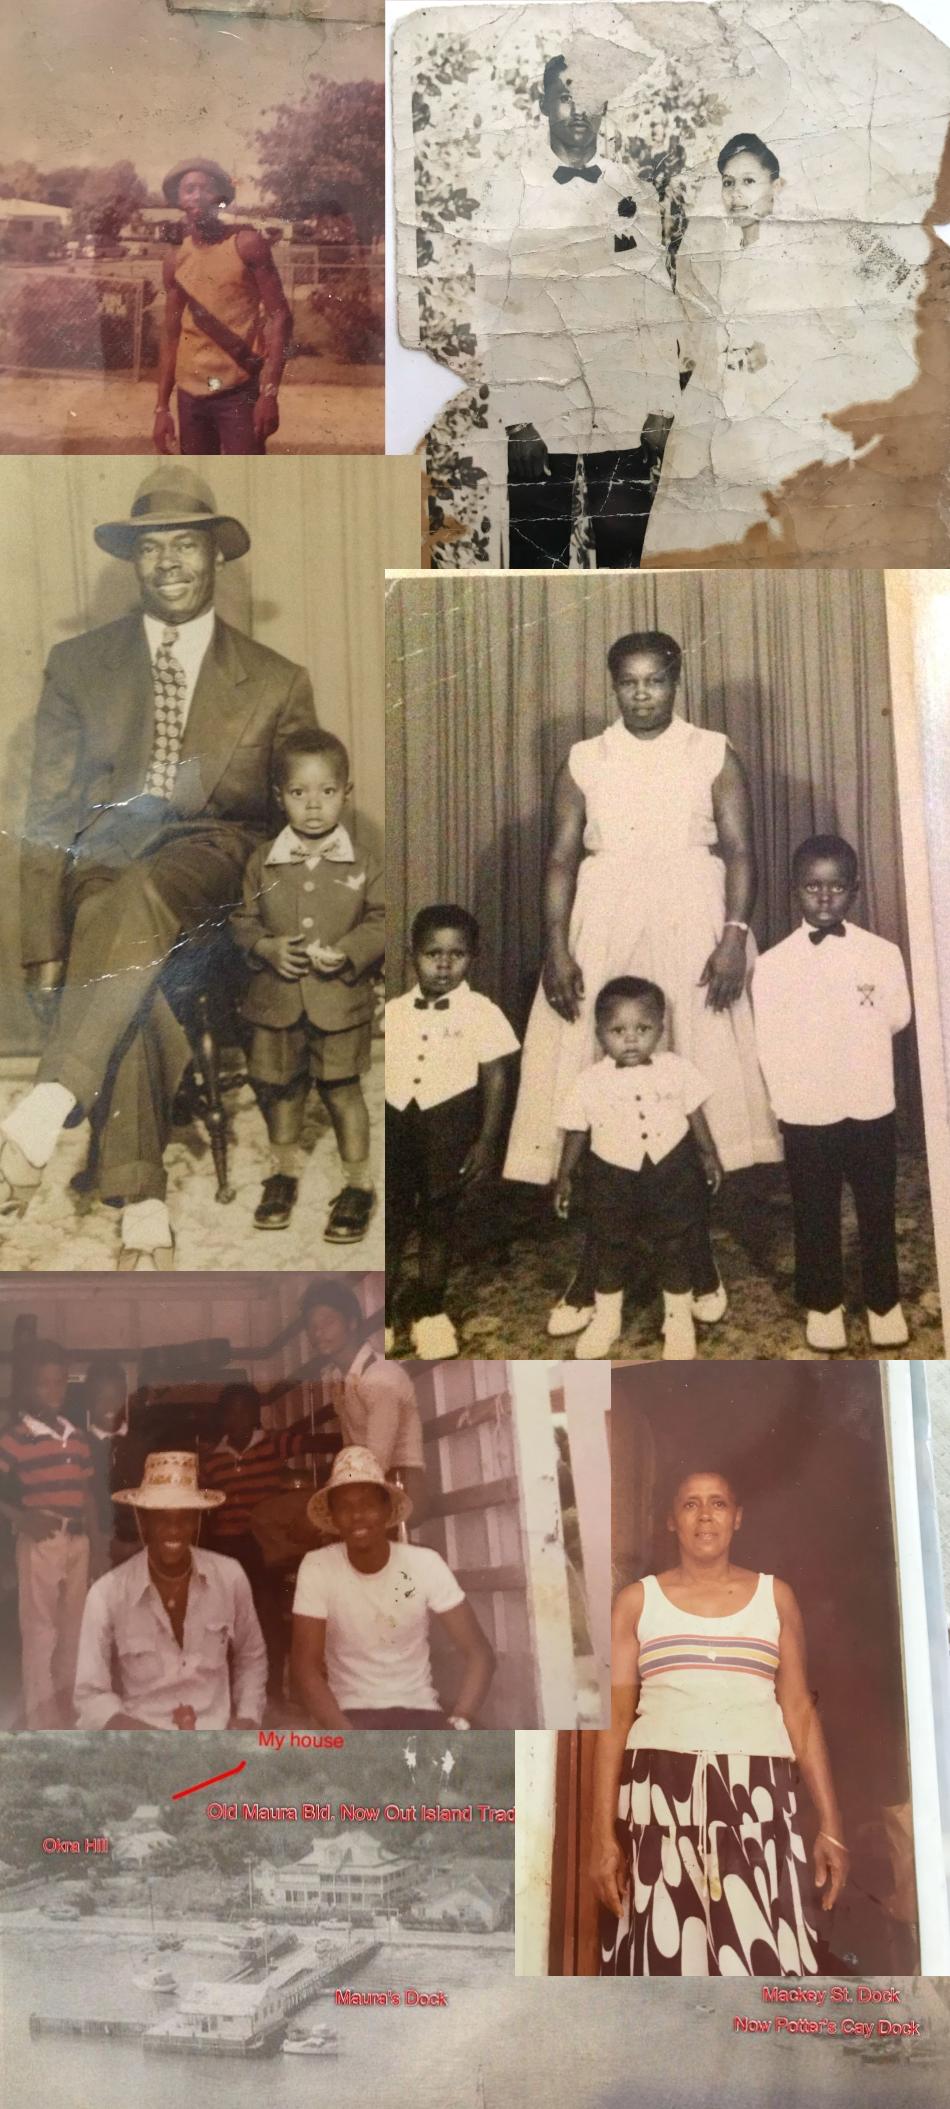

I heard about a mansion  
He has built for me in glory.  
And I heard about the streets of gold  
Beyond the crystal sea;  
About the angels singing,  
And the old redemption story,  
And some sweet day I'll sing up there  
The song of victory.

# “SNUCKY!”

**Bernard Leopold Miller Jr.** was born on the island of Nassau, Bahamas to Bernard Miller (Andros) and Sybil Miller nee Evans (Tarpum Bay, Eleuthera). He died at his residence, Incense Court, Eastwood Subdivision, on Monday, 8th May 2023 at the age of 68.

He is survived by his **Wife**: Charmaine Miller; **Sons**: Bernard Tristan and Travis Bryanth Miller; **Grandchild**: Kristian Miller; **Sister**: Bernadette Miller (Hester); **Brothers**: Glenroy, Kevin, Michael, Mark, and Patrick Miller; and a host of other relatives and friends.

Snucky was born November 14th, 1954, and was the oldest son of Bernard Miller, Sr and Sybil Miller (nee) Evans. He grew up in Okra Hill, off what is now East Bay Street, with his mother Sybil. Snucky was known for his fearlessness. On Malcolm Park, for example, he was known to be the best diver out in the water, often seen diving from high ships.

Snucky began his early education at Eastern Prep between 1960 and 1966 and then Eastern Senior between 1967 and 1968. By the age of 13, he had already entered the 'real world' and took on his first job at American British Canadian Motors (ABC Motors) on Collins Avenue in the parts department. He was a determined self-learner which drove him to take on new tasks and develop his skills. Snucky would later work at Ford Motor Company, and then Sanpin Motors as a parts manager. Snucky underwent world class training and focused on mastering his craft. As a result, his career in auto mechanics began to take off. This would lead to him becoming an experienced technician and entrepreneur.

In 1976, Snucky met Charmaine, affectionately known as Staggy. They dated for 4 years. During this time, Snucky began nurturing his love for music and started taking music lessons. Meanwhile, the love between him and Charmaine grew and blossomed into marriage . The couple were wed in 1980 at Christ Church Cathedral – a marriage that lasted 43 years. They welcomed their first son, Bernard Tristan Miller into the world in 1981 followed by their second son, Travis Bryanth Miller in 1989.

It was shortly after he and Charmaine got married that Snucky accepted the Lord into his heart and began following him. He and his family began worshipping at Grace Community Church where Snucky started his brief journey in the worship ministry. The family would eventually transition to the New Providence Community Church as one of the pioneering families of the church, heavily involved in the worship ministry for several years.

## Bahamian Entrepreneurs - Miller's Auto shoot for the stars

The recent grand opening of Miller's Auto Parts & Service Centre marked a giant step in the career path of Bahamian entrepreneur, Snucky Miller. The Auto Parts & Service Centre, located on Bernard Road, opposite Aquapure is a state of the art vehicle service centre catering to cars of all sizes, years and makes.

Mr. Miller-Owner and Head Mechanic of his new operation commented: "We are so excited and thrilled to open our new operation and even more excited to have as our primary partner, the leader in the petroleum industry-Esso Standard Oil".

Mr. Miller continued that they exclusively use Esso lubricants in the servicing of all vehicles because they believe that only the best quality lubricants should be used.

the ribbon to the premises filled the day with fun and excitement! Then it was time to cut the cake and celebrate with Champagne! A live remote by Love 97 with lots of prize giveaways topped off the day with best wishes from Brad and the Love team!

Mr. Keith Glinton, Country Manager of Esso Standard O

In light of his background in auto mechanics and the responsibility of his growing family, Snucky decided to venture out and start his own business.

In 1994, he founded Miller's Auto Parts and Service Center, located on Bernard Rd. This venture combined his skills and resources in maintenance, retail and service and incorporated a wide variety of needs for vehicles across the country.

Snucky was proud to include his son, Tristan, as his business partner, who, like his father, had a background in auto mechanics. Snucky, along with his son, went on to pursue international education and they both became ASE Certified technicians - a certification which further helped to build the family business.

WORDS OF WELCOME- Pictured above is Keith Glinton, country manager, Esso Standard Oil SA Ltd. saying a few words at the opening.

Manager of Esso Standard O (Bah.) Ltd. remarked that Esso was proud to have the Miller Family unite with their Mr. Glinton's positive words of encouragement endorsed the young Bahamian entity, wishing them the best and ensuring them of Esso's continued support.

Meanwhile, music continued to be one of Snucky's greatest loves. His passion for music went from a casual hobby to a thriving career, despite what other musicians may consider a late start. It was not long before he became a well-sought-after bassist in and outside of his church's worship ministry. Snucky played with some of the best musicians in the country both locally and abroad.

Always looking for new ways to enhance and expand his craft, Snucky began dabbling into music producing and engineering with hopes of producing his own album. He also completed a degree in music from Berkeley College of Music to continue his contribution to the professional musical landscape of the country.

**Bernard makes Broadjam top 10 list**

★ BERNARD Miller Jr grew up listening to everything musical coming out of the United States, England and Europe. The talented musician, whose instruments of choice are the cello and bass guitar, was heavily influenced by Motown, Woodstock music and the Beatles. In a few years, Miller has now made his own "claim to fame". His song "Bay Street" recently made the *New Age Top Ten List* and was awarded by [www.BroadJam.com](http://www.BroadJam.com). The CD is available in local stores. Visit [www.BroadJam.com](http://www.BroadJam.com) to listen to Bernard's music videos and view photos. On the website, Bernard plays "Quando", an old Caribbean song that many people know and love. Bernard gives it a twist with some Bahamian Junkanoo. Bernard is pictured at left with his bass guitar.

## Caribah: Four men who love to play jazz

By QUINCY PARKER  
Tribune Staff Reporter

### CARIBAH.

The name evokes exotic images of chocolate-skinned, sloe-eyed beauties lounging on pristine white beaches coquettishly twirling delicate fingers in clear waters.

dled romance of young love in its prime, or the aged, gently fermented romance of two people who know each other intimately and complement each other perfectly.

Now, the name Caribah is rapidly becoming synonymous with jazz in Nassau.

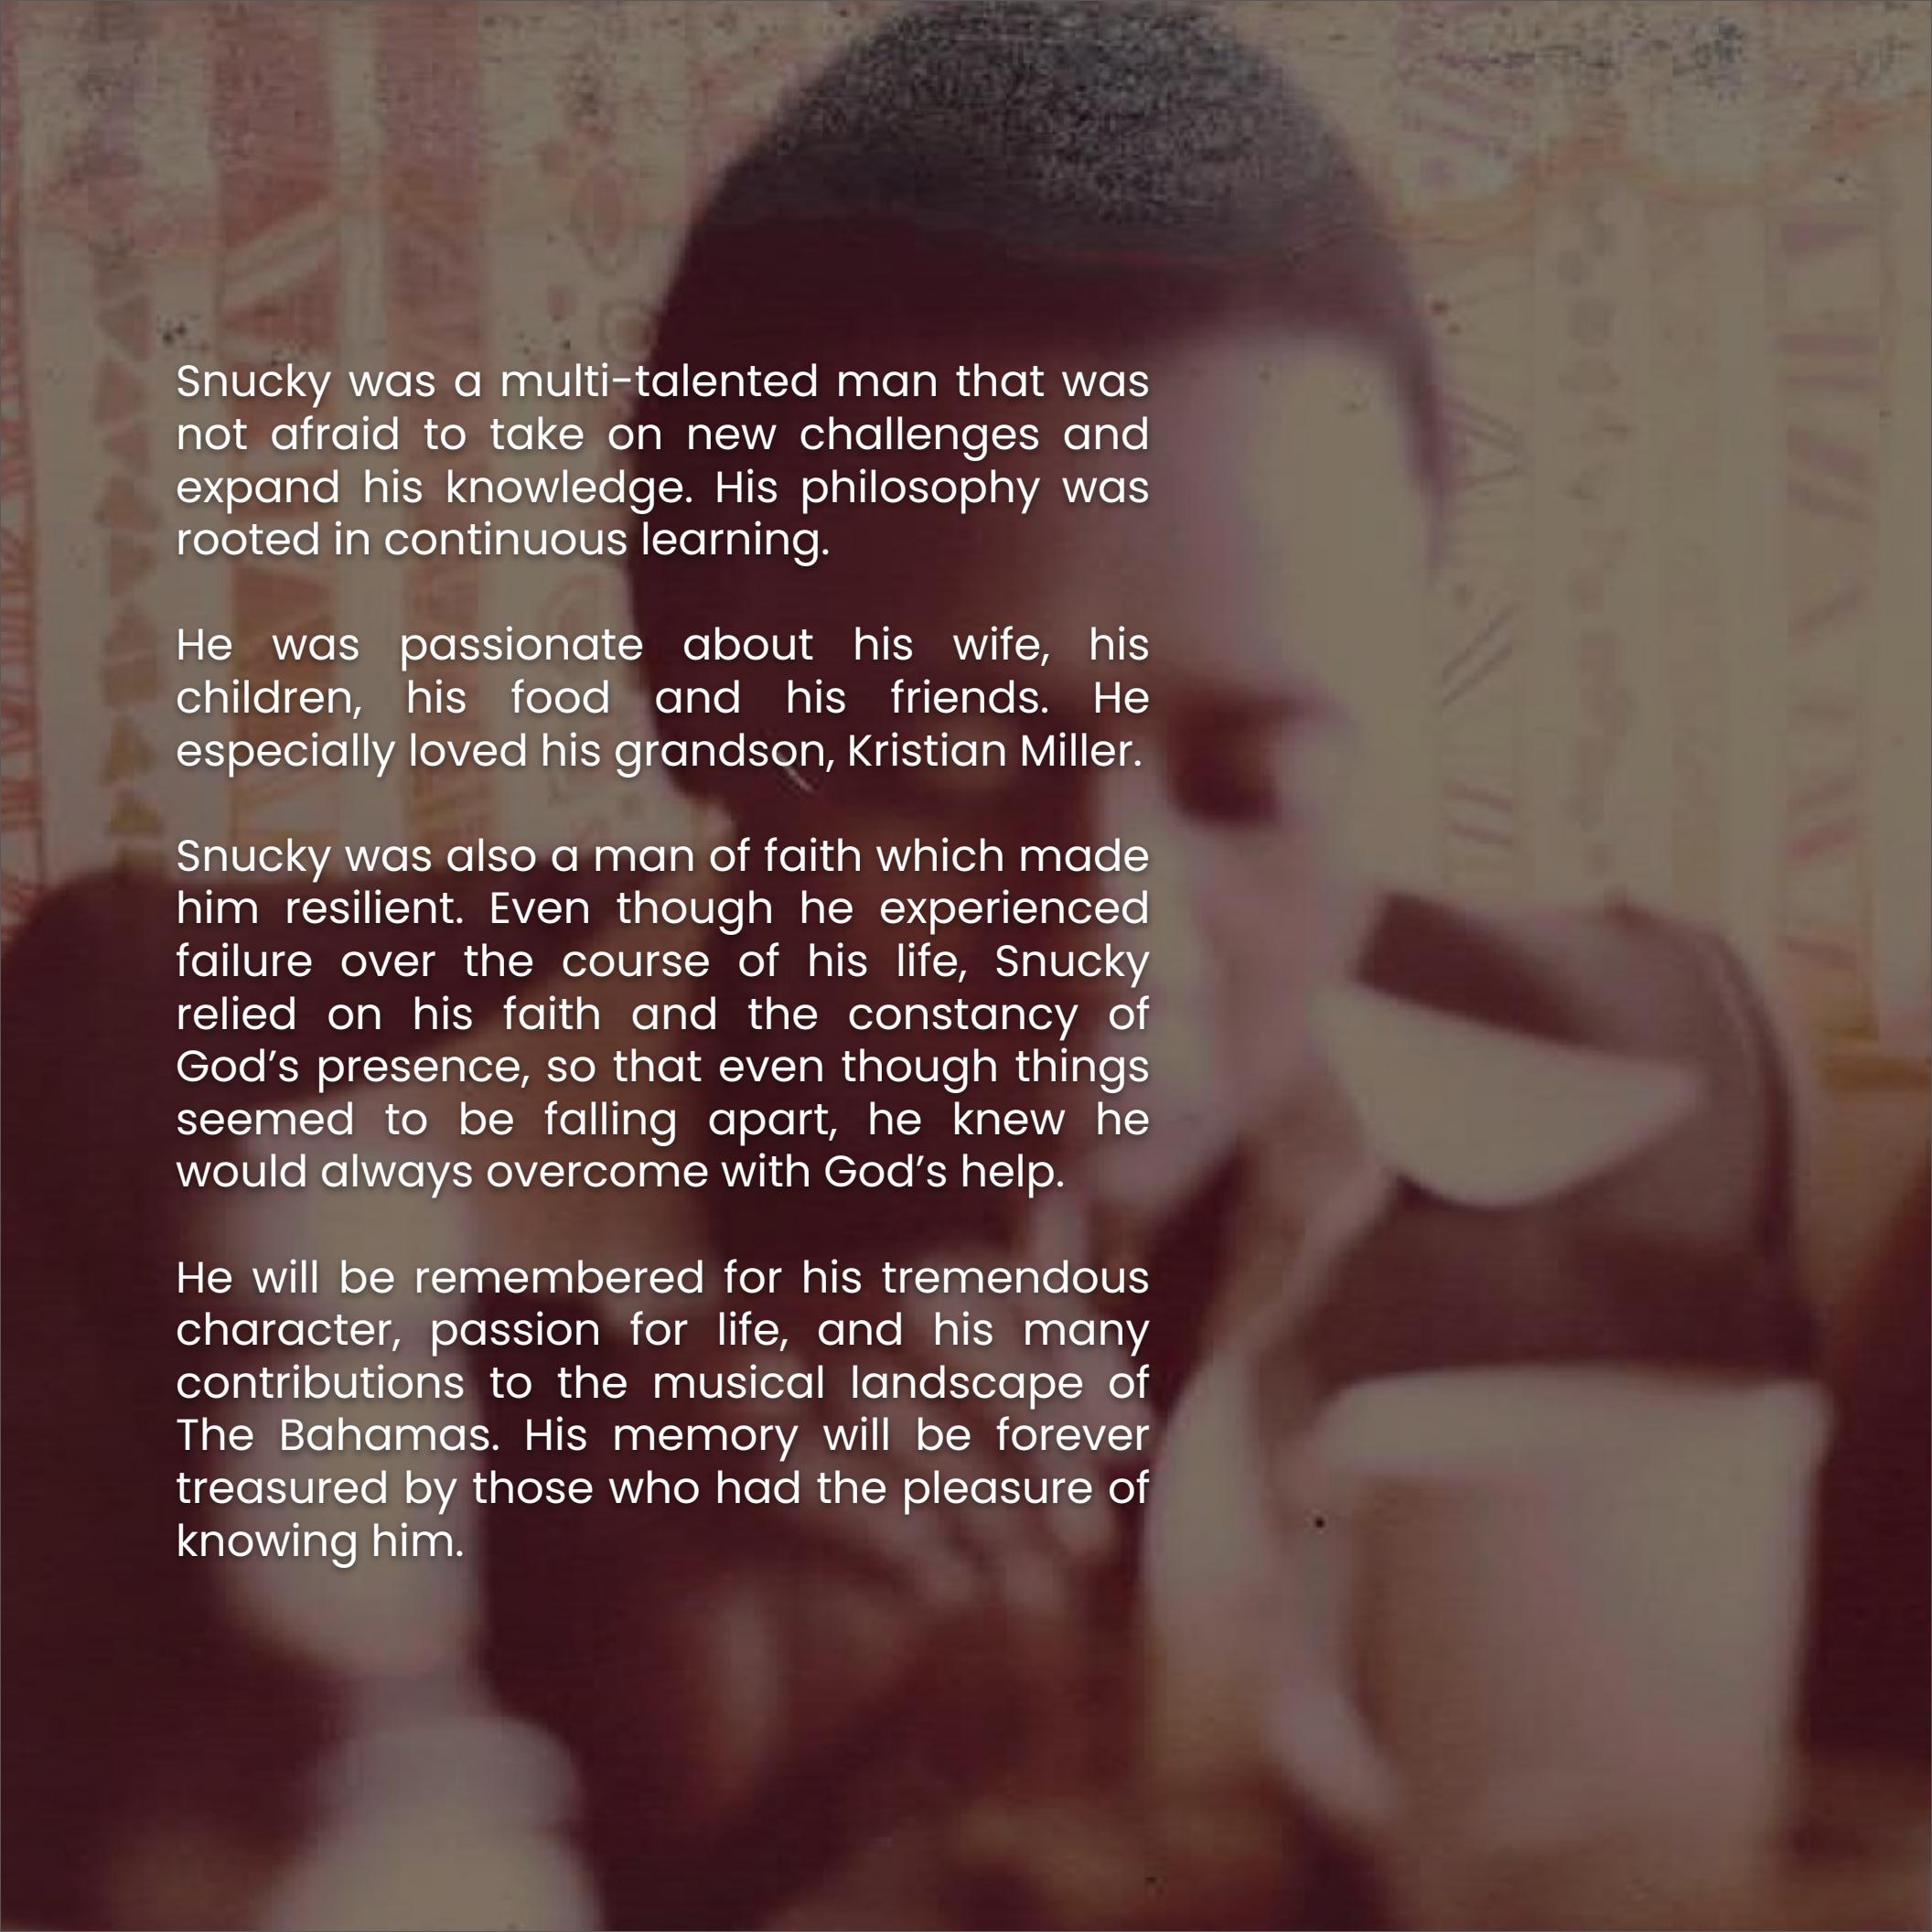

Pianist Darrell Hurston, "Scandal," the drummer (Ronnie

"Autumn Leaves" — sad songs, really — Caribah has to consciously refrain from infusing them with joy.

And the happy tunes they play — man!

Their repertoire ranges from the standards to swing jazz, from contemporary and pop music to Christmas music arranged by Hurston —

Snucky was a multi-talented man that was not afraid to take on new challenges and expand his knowledge. His philosophy was rooted in continuous learning.

He was passionate about his wife, his children, his food and his friends. He especially loved his grandson, Kristian Miller.

Snucky was also a man of faith which made him resilient. Even though he experienced failure over the course of his life, Snucky relied on his faith and the constancy of God's presence, so that even though things seemed to be falling apart, he knew he would always overcome with God's help.

He will be remembered for his tremendous character, passion for life, and his many contributions to the musical landscape of The Bahamas. His memory will be forever treasured by those who had the pleasure of knowing him.

## Snucky "Brother Goat"

Thank you for being that unsung hero who never got the deserving praise. We'll always hear about Martin Luther King or Sir Lynden Pindling, men who sacrificed to pave the way for communities and nations, but thanks to you for being that someone right beside us or more so ahead of us..making our journey in this thing called life so much easier. You had an amazing power of observation and good storytelling abilities. I am grateful I was blessed with a few more hours of your fleeting presence here on this earth giving me a good laugh. One of my fondest memories was being part of an audience watching you learn how to play the bass guitar to George Benson's 'On Broadway'.

You are now the only STAR on Broadway to me.

Love you much.

Patty Mac

## Remembering Snucky

Bernard "Snucky" Miller came to work for me as a young man in our parts department at Sanpin Motors. He worked his way up the ladder to become our parts manager.

Snucky was starting to date Charmaine (Staggy as we knew her), and needed a car. I helped him get his car so he had transportation to take her out. Snucky became like a son to me, always asking for my advice and help if needed.

We always had a special bond, and Snucky would always say how much he appreciated my help and care all of his life.

Snucky, you will never be forgotten.

May you rest in eternal peace.

**Donald Johnson**, Sanpin Motors

I got to know Snucky as he worked at Sanpin and I would work there during my breaks.

Little did I know that I would be playing with him at Church and many other events.

Snucky and I both shared a true love and passion for music. It was our special bond. I'm so grateful for his expertise in recording our theme song for our Down Syndrome Foundation.

Snucky, I know you're jammin' with all the saints in heaven. Until we meet again.
